MEMORANDUM FOR: Deputy Director for Operations  
 Deputy Director for National Foreign Assessment  
 Deputy Director for Science and Technology

FROM: Harry E. Fitzwater  
 Deputy Director for Administration

SUBJECT: Ten-Year Plan for Construction  25X1

1. The DDCI has requested a study of the construction plans of the Agency for the period 1982 to 1992. I have asked the Building Planning Staff, OL, to assume responsibility for this study in addition to the completion of the Headquarters Master Plan.  25X1

2. Since there is an existing Building Planning Committee in being, it seems logical to rely on that body to assemble the information needed for this new study. Therefore, barring any objection on your part, the Committee will be convened within ten days to address this subject.  25X1
